COUNTY SCHOOL BOARD MEETING

Manassas, Virginia
January 4, 1939

The County School Board met on the above date, as per adjournment, with the following members present: D. J. Arrington, Chairman, N. N. Free, A. T. Barnes, Anita D. Percy, and R. C. Haydon, Clerk. F. M. Lynn and Floy H. McInteer, reported their absence due to illness in the family.

The minutes of the previous meeting were read and approved.

The Superintendent reported that Miss Margaret Eutsler, high school teacher at Nokesville, had resigned as of December 22 and that Miss Maron Broaddus, former teacher in that position, had been employed to take her place.

He also reported that Miss Kathleen Kerlin, one of the grade teacher, at Nokesville, had married early in December and had resigned her position, and that Mrs. Myrtle Moore, a former teacher at Buckhall, had been employed as an emergency teacher in her position.

On motion, the Board approved these teacher changes.

The Superintendent reported that the general condition of the funds up to the present was good, but that it would require careful spending for the balance of the year in order for the Board to be sure of meeting all of its obligations.

The superintendent presented a plan whereby the abandoned Gold Ridge and Minnieville Schools could be dismantled and the material used to add two rooms to the Cabin Branch Colored School in order to carry out the consolidation plan for negro schools in Dumfries District.

He stated that a close estimate would be between $1200 and $1500 in addition to the material in these buildings. The Board tentatively approved the items and authorized the Superintendent to proceed to prepare tentative plans for the construction.

On motion, the Board appointed Floy H. McInteer, A. T. Barnes, and R. C. Haydon, to prepare the annual school budget for session 1939-40.

On motion, the Board designated R. C. Haydon its representative to attend the National Education Association meeting of Department of School Administrators at Cleveland from February 25 to March 2, inclusive, and appropriated an amount not to exceed $50.00 towards the expense of the trip.

A question of whether Miss Moore, who is living at Buckland and working in the sewing room at Haymarket, was discussed and table for the present.
